

Welcome to NC PMI's Website.

This document is designed to help and answer a few of the most common questions for new members.

1. Our website is not a direct part of PMI.org, nor are we directly connected to the PMI.org web site or the GOC. We receive a once monthly download from PMI for all new members from the month before. So it could take as long as 6 weeks for you to gain access to the NCPMI website.
2. If you forget your password you can click the link under the login screen "Forgot Login" and the website will send your login ID and Password to the e-mail address of record. (See below.)

To change your e-mail address or password, simply click the "Member Information" tab after you login and update the fields you need to change, and make sure you click the "Update Member Record" button at the bottom to save your changes. (See below)

NOTICE! Please make sure you change your work email address at [pmi.org](#) or the next time the member list is downloaded from PMI (Twice Monthly) your information will be over written to the e-mail address of record with PMI.
